Hi Lorena,

Someone just came in with signs, asking for us to put them up. Let's talk about this. Typically LADOT would have to put up poles for these types of signs. But when you put them on select streets, you will have the RVs move to side streets. You'll want to put up signs on all the streets. That was one of the reasons we didn't put them up to begin with.

The entire downtown area is already in a restricted zone, no oversize vehicle parking from 2AM to 6AM. Please give me a call when you get a chance.

Thank you,
